

ACCEPTANCE TUTORING WORK END OF MASTER

D./Dña.

Professor/a of:

From the University of A Coruña

ACCEPT the tutoring of the Final Master Work with the title:

That it will be developed by the student:

Registered in the course 20__/20__

In the subject “Trabajo de Fin de Máster“

Throughout the development of the Final Master, participants assume the following commitments:

By the student:

Perform activities and tasks for the TFM. •

Perform at least two deliveries of the processed materials: a mid-term realization of TFM and at least twenty days before the final delivery of the TFM.

By the tutor:

To advise, guide and supervise the student during the performance of their TFM

Review the material submitted by the student, providing timely feedback and responding with 10 days to make the suggested corrections.

Complete and submit to the Coordinator of the Master the Assessment Tutor Report when the student makes the final delivery of the TFM for evaluation and public defence.
