

## **FINAL MASTER WORK**

### **PRESENTATION RULES RELATED TO THE PROJECTS IN DIGITAL FORMAT**

You have to send 2 copies in CD-ROM or DVD to the Library of the Civil Engineering School

The copy of the final Master Work (FMW) has to be exactly the same as the copy sent to the tribunal.

### **CONTENT AND ORGANIZATION OF THE FILES:**

The copies will be presented in 2 rigid C D boxes together with the cover

In it, at least, the following information, has to appear:

- Name of the faculty:
- Name of the master
- Name and surname of the student
- Title of the subject
- Title of the project in Spanish language
- Title of the project in English language
- Date of the presentation
- Logos of the Civil engineering School, University of A Coruña and University of Magdeburg

The file would be given in PDF. Format (maximum of 100MB)

If the size of the document is greater than this, you can break down the file into smaller PDF files. In each PDF you should include, as starting page, the front page of the project and its index

The PDF will be presented in PDF or other open formats. It can contain links and multimedia information. The PDF will not be protected

### **NAME OF THE FILES**

Surname\_Name of the student\_ FMW\_year

Example:

Vazquez Gonzalez\_Ana\_FMW\_2019

If the file is broken into different files (for example in 3 parts), you should write:

Vazquez Gonzalez\_Ana\_FMW\_2019\_01of3

Vazquez Gonzalez\_Ana\_FMW\_2019\_02of3

Vazquez Gonzalez\_Ana\_FMW\_2019\_03of3

You can't use spaces, accents, or "ñ" in the name of the files to ensure the compatibility with other search engine

### **NAME OF OTHER FILES**

In the case of additional files that don't form part of the main document, for example, images, computer programs, multimedia information....) in recognized formats ( TIFF, JPG, MPF...)

You should follow the same rules and you have to add some information in the name in order to distinguish it from the main document

Vazquez Gonzalez\_Ana\_FMW\_2019\_01of3

Vazquez Gonzalez\_Ana\_FMW\_2019\_video\_02of3

Vazquez Gonzalez\_Ana\_FMW\_2019\_Excel file\_03of3

You can define links in order to access this content from the PDF file *wich* make up the principal document of the FMW
